

Temporary Containers

If you have a small clean-up projects or just have some extra garbage laying around the house that you need to dispose of, Mid Valley Disposal's 3-yard Rent-a-Bin containers are perfect for the job! Rent-a-Bin containers can be kept for as long as needed and may be dumped as many times as necessary until your job is done. These Rent-a-Bins are temporary containers that you can fill with any kind of material, only excluding: concrete, dirt, televisions, computers, tires, hazardous waste, and roofing material. Give us a call to inquire about starting new temporary services with us today!

We are also experts in roll-off services and will assist you in meeting Cal Green and LEED requirements. Our Roll-Off service is available for large cleanup projects or permanent service. Sizes range from 10, 20, 30, and 40 yard bins. Call us today for a great rate!

Why Recycle?

Environmental Responsibility
Build a Stronger Community

Recycling is the easiest way to "Go Green" and reduces the amount of trash entering the waste stream. By recycling as much as you can, you are saving natural resources and preventing air and water pollution. Not only does recycling provide environmental benefits, but it is also cost effective and will help keep costs down.

Hazardous waste is material that cannot be placed in the recycling or garbage cart. These materials should be disposed of safely and properly.

These materials include:

- Anti-freeze
- Automotive products
- Used motor oil
- Batteries
- Needles
- Fluorescent bulbs/tubes
- Paint, oil/latex
- Pesticides & herbicides
- Prescription drugs

Contact the Fresno County Public Works & Planning Department to find out more information regarding the next Household Hazardous Waste Drop-off Event at 559.600.4259. Prescription drugs and sharps may also be dropped off at kiosks placed at the Kingsburg Police Department.
