

Guidelines and Information for Obtaining a Business License in the City of Kingsburg

If you are conducting business in the City of Kingsburg or planning to open a business at a location within the City Limits you must first obtain a City Business License.

The Application form must be filled out and submitted with a \$50 processing fee. This application will reviewed by the City to determine approval.

If you plan on opening a business from your home you must apply first for a Home Business Occupation License and submit the application with a \$100 processing fee.
